Create your personal hydrotherapy shower and use all the physical properties of water to create a new sensation every day. Large or extra-large; fitted flush to ceiling or wall mounted; GROHE showers come in all shapes, styles and sizes – each one designed with your satisfaction and enjoyment in mind.

A gentle Rain Spray for rinsing off soap or body scrub, a focused Jet Spray to help relax tense muscles or a soft and soothing Champagne Spray. With GROHE showers the choice is at your fingertips. Increase the hydrotherapy level and experience three-dimensional showering. Our adjustable side showers can be calibrated to place more pressure between your shoulder blades and slightly less on your lower back – your in-shower massage service.
